Note:-

(1) The strength of the establishment has decreased from 188 to 182 owing to the disbandment of the temporary establishment of the Reversionary Bonus work.

(2) The strength of the communities with Sl.Nos.2,3,6,7,12,13 and 17 has stood constant and therefore slight increase in percentage of these numbers.

(3) Increase in percentage strength of Sl.Nos.4,5,8,10 and 11 is due to increase in their numbers by one in each.

(4) The decrease in percentage strength in Sl.Nos.1 and 15 is due to the officials of these communities were on leave and their places substitutes of other communities were working and their castes were taken into consideration in striking out the percentage.

CENTRAL RECRUITMENT BOARD 28 SEP. 1940 BANGALORE

To

The Secretary,
Central Recruitment Board,
Bangalore.

SIR,

I have the honor to forward herewith the "C" Statement in respect of the officials actually holding posts in this Department during the half year ending 30th June 1940.

2. It will be seen from the statement that the ministerial establishment has increased from 93 to 106 and that the strength of the non-brahmin officials has increased from 32 to 40. This explains the variations in the proportions.

3. While there is an increase in the ministerial staff a reduction is observed in the executive staff, the strength of which has gone down from 402 to 388. This reduction is due to the transfer of some officials to the ministerial section in this Department itself under the authority noted in the margin and to the lending of the services of a few more Surveyors to other Departments. One Surveyor left this Department having secured an appointment elsewhere. These account for the variations.

G.O.No.R.4693-4/L.S.31-39-2 dated 7th February 1940.

4. The annual schedules of establishment of both the Land Records and Record of Rights Staff as they stood on 30th June 1940 are also forwarded herewith.

Dated, Mysore, the ....6th Sept..,.....1940.

Review on the 'C' Statement for the half-year ending 30th June 1940.

The total strength of the establishment - ministerial and executive - during the half year was 560 against 571 in the previous half-year. There was a decrease by 9 in the ministerial staff and 2 in the executive staff, resulting in a net decrease of 11 during the half-year.

MINISTERIAL ESTABLISHMENT:- The total strength during the half-year was 360 against 369 in the previous half-year. The reason for the decrease by 9 is as follows:-

The post of one Acquisition Clerk on Rs.25/- sanctioned to Nanjangud Sub Division Office was terminated. The posts of 6 Clerks of Yelandur Sub Taluk which had been included in the 'C' statement of the previous half-year have been omitted in accordance with C.R.B. Secretary's letter No.4747/C.R.B.71-39-1 dated 21st February 1940. The posts of 2 Clerks on Rs.25/- each in T.Narasipur Taluk viz., 1 contribution Clerk and 1 R.R. Additional Clerk were terminated during the half year. Out of the total strength of 360, only 355 persons were actually holding appointments during the half-year, the remaining 5 places being vacant. There was a decrease of 2.53% in the percentage of Brahmins during the half-year under review.

EXECUTIVE ESTABLISHMENT:- The total strength during the half-year was 200 against 202 in the previous half-year. The posts of 5 Revenue Inspectors sanctioned for R.R. Works in Krishnarajnagar Taluk and 1 V.P. Revenue Inspector for Periapatna Sub Taluk during the previous half-year were disbanded. The posts of 2 Special Revenue Inspectors were sanctioned during the half-year, to Santhemarahalli Hobli and Bannur Municipality. The post of a Manegar of Saragur Municipality which had been left out in the previous half-year's statement is included in the statement of

of this half-year. The post of one pound-keeper which was hitherto considered as belonging to inferior service, has been included in the statement of this half-year as it is regarded as superior service as per exception 4 to Article 254 M.S.R. Hence the decrease by 2 in the total strength. Against the total strength of 200, the number actually holding appointments was 198, the remaining 2 places being vacant. In this series, there was a very slight increase viz., .09 in the percentage of Brahmins during the half-year under review.

For Deputy Commissioner,
Mysore District.

Dated, Kolar, the 28th October 1940.

Review on the progress made in the recruitment of Candidates in the Unit of the Deputy Commissioner, Kolar District, for the half year ending 30th June 1940.

Ministerial Establishment:- The total of the ministerial Establishment during the helf year ending 30th June 1940 was 375 as against 360 at the end of 31st December 1939. The increase is due to the

(1) Inclusion of 5 clerks of the District Board hitherto left out .. 5	reasons which have been embodied in the explanatory memo attached hereto along with the other statements.
(2) Inclusion of arrack Bonded depot Clerks who are also entertained after advertisement. .. 8	
(3) Inclusion of the post of laboratory attender of Health Office, K.G.F. .. 1	
(4) Clerks and attender in the High Schools. .. 4

Decrease:-	
(1) abolition of one Income Tax Clerk 1	Out of 375 posts 4 posts were kept vacant on 30th June 1940 1939 as they were either of short duration or the

candidates appointed as per rules did not join duty. 153 posts were held by Brahmins and 222 by nonbrahmins against 158 and 202 194 respectively during the previous xxx half year. The percentage of representation of the members of the Non-Brahmin communities was 59.2 during the present half year as against 56.10 55.14 at the end of the previous half year. Thus there was an increase in the representation of the Non-Brahmin communities by 3.1.

Executive Establishment:- The total number of the Executive Establishment at the end of the half year ending 30th June 1940 was 184 as against 153 at the end of the previous half year resulting in an increase of 31 in the total strength. The reasons for increase have been explained in the margin.* The teachers of the Municipal and Sanitary Board High Schools were not hitherto being included. Since these appointments are also made in accordance with Central Recruitment Board Rules they have been included now. Out of 184 posts 62 were held by Brahmins and 122 120 by members of the backward communities. The increase in

in the number of Brahmins is mainly due to the fact that vacancies of teachers advertised as special are not being responded to and for conduct of work locally available brahmin candidates had to be employed and the approval of the Central Recruitment Board obtained in every case.

Sir,

With reference to your letter no P 28/39-40 dated 5-12-40 forwarding 'C' statement and other Returns, ~~for the period~~ ending relating to the judicial department for the period ending 30-6-40, I am directed to observe that the percentage of appointments held by

Brahmins in the ministerial service during the half year ending 30-6-40 shows an increase over that in the previous half year. I am therefore to request you to be so good as to furnish detailed reasons for this increase.

It is reported that a temporary establishment of 10 hands was sanctioned for a period of two years with effect from 15.2.40 which includes three posts of Translators on Rs 50/- and two of typists on Rs 30/- These posts of Translators seem to have been filled up directly by the High Court and the other posts of typists by appointment of Brahmin candidates whose names are not found in the 'general' list for Steno-typists issued to you.

In this connection, I am to point out that these posts come within the scope of CRB rules (vide Rule 1 of the Revised Rules issued with G.O. No. 6-105/CRB 1-34-1 dt 3-7-34) and to request to be kindly informed of the circs in which they were not filled up in accordance with Rules, I have

The strength (permanent and temporary taken together) of the establishment of the High Court and that of the Bangalore, Mysore and Shimoga Divisions was as follows:-

	1938-39	1939-40
High Court.	45 (2 vacant)	55
Bangalore Division.	181	179
Mysore Division.	135 (2 vacant)	135 (3 vacant)
Shimoga Division.	96 (1 vacant)	96 (4 vacant)
	457 (5 vacant)	465 (7 vacant)

The strength of the establishment of the High Court was increased by 10 clerks as two Additional Judges were appointed to the High Court as a temporary measure for a period of two years with effect from 15th February 1940. The appointment of two temporary clerks attached to the temporary Fourth Judge of the High Court was made permanent as the appointment of the Fourth Judge was made permanent. Thus there was an increase in the total strength of the establishment of the High Court by 10 clerks.

Consequent on the termination of the appointment of the Temporary Additional Munsiff, Chikballapur, from 1st April 1940, the two clerks attached to his Court were disbanded. Thus there was a decrease in the strength of the establishment of the Bangalore Division by 2 clerks.

The total strength of the four units during the year under report was 465 as against 457 in the previous year.

(b) EXECUTIVE ESTABLISHMENT.

The Secretary,

Sir,
SIR,

In continuation of this office letter No. cited above dated 25/9/40, I have the honour to forward herewith the following statements for the half year ending 30th June 1940, together with the consolidated schedules of establishments of this offices and the offices and institutions under the direct charge of this office and of the offices and institutions in the Bangalore Division as they stood on 30th June 1940.

1) "C" statement in respect of men actually holding posts on 30th June 1940 including the appointments in Urdu institutions.

2) "C" statement in respect of men actually holding posts on 30th June 1940 excluding the appointments in Urdu institutions.

3) Statement showing the number of Non-Gazetted appointments of the Superior Service held by the different communities in the State Service on 30th June 1940.

	Executive June '39.	Executive June 1940.	Difference.
Total.	10645	10675	30
Brahmins.	4671	4632	39
Non-Brahmins.	5974	6043	69

A comparison of the figures (as noted in the margin) in the statement of men actually holding posts including the appointments

P.T.O.

-in Urdu institutions for the year ending 30th June 1940 with those for the year ending 30th June 1939, shows, that the total number of employees actually working in the Executive line has increased by 30 during the year under review, and that the number of Brahmins has decreased by 39, while that of the Non-Brahmins has increased by 69.

	Ministerial June 1939.	Ministerial June 1940.	Difference.
Total.	331	339	8
Brahmins.	217	215	2
Non-Brahmins.	114	124	10

In the ministerial line the total number of employees has decreased by 8 as shown in the margin and the number of Brahimns has decreased by 2 while that of the Non-Brahmins has increased by 10.

There has been some improvement in the recruitment of the following communities during the year ending 30th June 1940 as noted below.

	June 1939	1940.
Kshatriyas.	99	109-10
Telgu Banajigas..	210	223-13
Vokkaligas.	686	707-21
Mohammadans.	1621	1653-32

It is reported in this connection, that a certain number of posts remained vacant on 30th June 1940, and it is expected that those posts would have been filled up since, in accordance with the recruitment rules. It is, therefore, likely that the actual number of the employees belonging to the Backward Communities in service at present may be a little higher than what is shown in this statement.

As regards the delay in sending this statement, I have the to state that according to the printed calender of work of this office, the last date for the receipt of this statement in this office from the Deputy Directors is 31/8/40. Accordingly the Deputy Director, Bangalore, submitted the statement pertaining

pertaining to the Bangalore Division on 31/8/40. The Deputy Director, Mysore, also reported on 12/9/40 that the statement pertaining to the Mysore Division, together with the consolidated schedules, was despatched from his office on - 31/8/40; but the same was not received in this office. Therefore upon fresh duplicate copies of only the statement were called for from him on 24/9/40 and the same were received in this office on 5/10/40. Hence the delay. The Deputy Director of Public Instruction, Mysore, has however, been requested to call for and submit fresh copies of the establishment - schedules of the offices and institutions of the Mysore Division, and the same will be sent soon after they are received from him in this office. The statement will, hereafter be arranged to be sent on the due date.

REVIEW ON THE PROGRESS MADE IN THE RECRUITMENT OF VARICUS COMMUNITIES IN THE UNIT OF THE INSPECTOR GENERAL OF POLICE IN MYSORE, BANGALORE, DURING THE HALF YEAR ENDING 30TH JUNE 1940.

As in the case of previous half years, Duffedars(except in the case of Railways and C.I.D. Establishment) working under the Deputy Commissioners are excluded as they belong to a separate Unit of the Deputy Commissioners and the figures shown in the statements enclosed exclude all such Duffedars.

Regarding percentage of Brahmins to the total strength in the Ministerial and Executive Establishments during the half year under report were 50.00 and 35.29 as against 51.39 and 35.67 respectively. It is seen therefrom that there was a fall in the percentage of Brahmins both in the Ministerial and Executive Branches of this Department during the half year under review.

Sub, It is noticed that during the last year one muslim has transferred to the Executive line. Whether sanction was obtained to this transfer from the ministerial line is not known. This will be ascertained in the first instance.

In the 'c' statement, the no. of Muslims in the executive line is noted as 12 and in the statement of Rly. appts as 13. An enquiry will be made as ~~does Regn~~ to how the Regn will reconcile these figures

Submitted with reference to regards transfer of Mr. Mohiyuddin from the executive to the ministerial line, it is seen that sanction of Govt had been obtained to this arrangement. But a formal reference ~~regarding his retransfer to the executive line at the end of one year~~ should have been made to Govt at the end of one year re. his retransfer to the executive line. The Regr's view that fresh sanction of Govt was considered unnecessary does not seem to be correct.

As regards the no of Muslims, the figures to be furnished are with reference to men actually holding posts. On this view, the no of Muslims will be 12 and this will be adopted.

The Secretary,
The Central Recruitment Board, Bangalore.

Dr Tte 7/10

Sir,

With reference to your letter No.1890 C.R.B.dated 27-9-40 regarding the 'C' Statement and the statement of non-Gazetted appointments in this Department for the period ending 30th June 1940, I have the honour to state that Mr.M.G.Mohiyuddin,B.A.(Hons), Second grade Inspector of Co-operative Societies was transferred to the clerical line in pursuance of G.O.No.D.8713-15/C.S.33-38-4 dated 6/10th April 1939 (copy herein enclosed for ready reference) for a period of only one year in the first instance. As the period of one year expired in the month of June 1940 and as during that period his work was reported to be satisfactory, he was retransferred to the Executive line. As his transfer to the Ministerial line stipulated in the said Government order was for a period of only one year and as he continued to be a permanent Inspector, he was reinstated to his former position after the expiry of the period. As no sanction of Government was necessary, it was not applied for. As regards the discrepancy in the number of Muslims in the executive service as mentioned in the 'C' Statement and in the statement of non-gazetted appointments observed by you, the number of Muslims having permanent lien on 30-6-40 were 13, hence this figure was noted against the statement prepared with reference to persons having permanent lien.

As one of them viz., Mr.M.S.A.Khalique,B.A.,(Hons) was under suspension on 30-6-40, his name was left out of account for the purpose of filling up the column in the statement prepared with reference to the men actually holding posts on 30-6-40, hence the decrease in the

the number of persons belonging to Mohammadan community as noted in this statement.

FROM

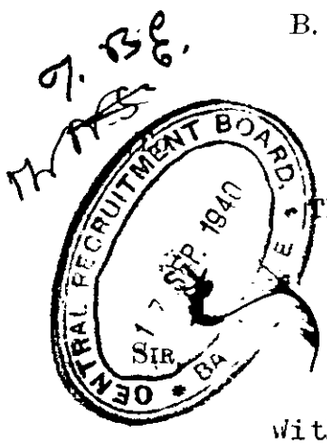
B. KRISHNASWAMY CHETTY, ESQ., B.E., A.R.P.S., M.A.S.M.E.,
SUPERINTENDENT, GOVERNMENT PRINTING,
BANGALORE.



The Secretary,
Central Recruitment Board,
Bangalore.

With reference to Government Order No.5882-5981/C.R.B. 25-34-1, dated 6-12-1934, directing the submission of "C" Statement in respect of the Non-Gazetted appointments held by the different communities in the State, I have the honour to forward herewith the undermentioned consolidated statements relating to this office, the Government Branch Press, Mysore, the Government Stationery Depot, and the Government Book Depot, Bangalore, as required in the Government Order referred to above.

(1) "C" statement of persons actually holding posts for the year ending 30th June 1940.

(2) Statement of Non-Gazetted appointments held by different communities in different grades for the year ending 30th June 1940.

(3) Consolidated schedule of Establishments of the Central Press, Branch Press, Govt. Stationery Depot, and Government Central Book Depot for the year ending 30th June 1940.

The following is the review on the recruitment of various communities to service in this Unit for the year ending 30th June 1940:-

I. GOVERNMENT PRESSES.

The establishment has been increased at both the Presses temporarily due to the entertainment of clerks for the Double Shift work in accordance with the Government Order No.A.F.3636-8/ P.& S.49-39-2, dated 19-1-1940, and most of the Central Recruitment Board hands have been recruited to those palces.

The total strength of the Establishment has been increased by 18 hands which is due to the establishment of the Government Central Book Depot and the Government Stationery Depot having been brought under the Press Unit as per your letter No.3142/C.R.B. dated 7-12-1939 and this has resulted in an increase in the percentage of the different communities, viz., Brahmins, Mahomedans and decrease under other communities.

There has been a decrease in the strength under Brahmins, Jains and Anglo-Indians and Europeans at the Central Press, Bangalore, consequent on the appointment of a member from each of the three communities to the Gazetted rank of Sub-Assistant Superintendents as per Government Order No.A.F.3743/P.& S.108-38-14, dated 26-1-1940.

The total strength of the Establishment of the Central Press, Bangalore, decreased as the two posts of Probationers ceased on the absorbption of the Probationers in the Gazetted rank. Ten places both at the Central and Branch Presses have been kept vacant, pending the revision of establishment which is under the kind consideration of Government.

II. GOVERNMENT STATIONERY DEPOT.

(1) There was one permanent vacancy in the superior establishment of the Government Stationery Depot during the official year, that is the post of Store-keeper on Rs.65/-. This was filled up permanently by appointing a candidate of backward community from 7-11-1939 by direct recruitment after advertising the post in the Mysore Gazette.

(2) The additional clerk on Rs.20/- was sanctioned for one more year in Government Order No.G.13388-9/P.& S.131-38-2, dated 30-6-1939 and this was filled up by appointing a candidate of backward community from the Central Recruitment Board approved list for Class II appointments.

(3) The post of Typist on Rs.30/- fell vacant temporarily

Pg 49

and the vacancy was filled up by taking a candidate from the approved Special List for appointments of Typists and Stenotypists.

III. GOVERNMENT CENTRAL BOOK DEPOT.

No changes have occured in this Establishment during the official year 1939-40.

I have the honour to be,

Sir,

Your most obedient servant,

Superintendent. 16/9/40.

REVIEW OF THE PROGRESS OF RECRUITMENT MADE IN THE UNIT OFFICE OF THE GENERAL MANAGER, MYSORE STATE RAILWAY.

--:0:--

Compared with the return for half year ending 31st December 1939, there is actually no increase in the strength of staff either in Ministerial or Executive Establishment, except for the appointment of a leave substitute.

On the percentage worked out for each community, it is seen that there has been an improvement in the recruitment of candidates made in this unit.

General Manager,
Mysore State Railway.

Review on the progress in the Recruitment of candidates of Backward Communities for the year ending 30th June 1940.

During the year 1939- 40 under report, eight vacancies in Class I clerks were filled up. All the eight vacancies are 'Special' ones, for which graduate candidates of Backward Communities should be appointed. The list of such candidates was exhausted by 14th December 1938, and no further list has been received so far. Under the circumstances, Class II Special candidates were recruited to fill up Class I vacancies, as per Rules. It has to be repeated as in previous years that the filling up of Class I vacancies by Class II candidates, who are only S. S. L. C., has affected work and efficiency to a good extent. As suggested in the previous review, it is again recommended that, in the absence of Class I Special candidates, vacancies may be permitted to be filled up by Class I Brahmin candidates from the approved list of C. R. B., at least as a temporary measure, till such time as Special candidates of Class I become available.
